Foshan Electrical & Lighting Co., Ltd.

Title	Product Specification	Document No.: FLEA60B9W30K27	
		Revision Status: A/0	Page No.:

Commodity	**A60 230V 9W E27 CE**
Series name	**A60-9-**/A12J/14/5**
Specifications Model	**230V 9W**

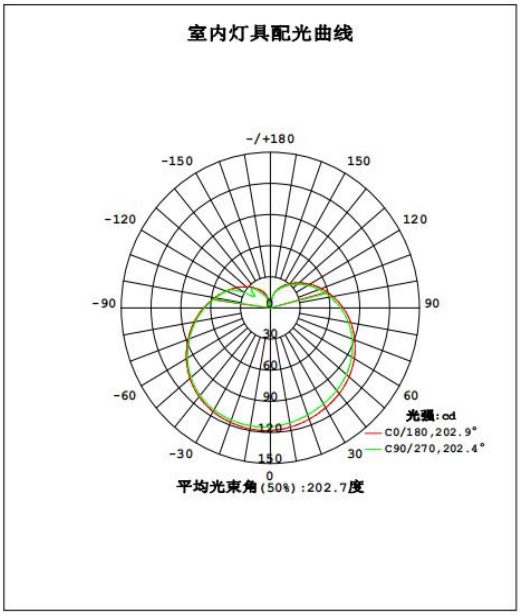

Description: Low power consumption, long lifetime, good stability, high reliability, energy-saving and eco-friendly, premium appearance

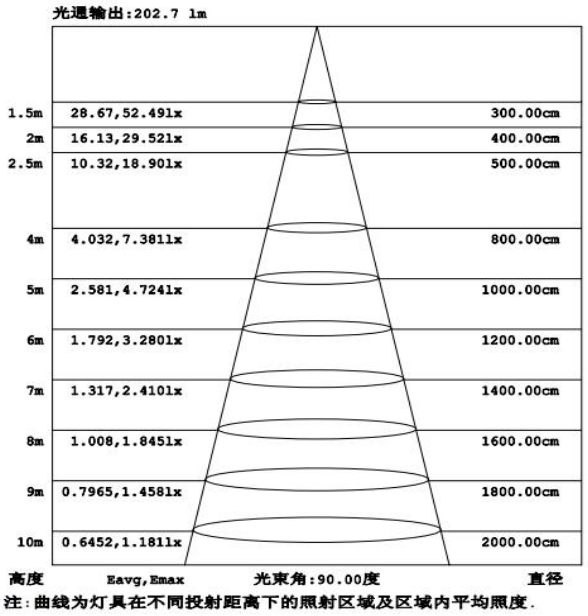

Application: Corridors, restrooms, hallways, schools, hotels, museums, jewelry stores, shopping malls, office buildings, etc.

Parameter			Unit		Nominal	Max	Min
Electrical characteristics	1	Rated Wattage	W		9	9.9	8.1
	2	Rated Voltage	V/HZ		230V 50HZ	240	220
	3	Power Factor	PF		0.5	--	0.5
	4	Rated Current	mA	230V	75	78	64
Light data & Colour data	5	Luminous flux [lm]	lm	2700K	760	--	720
				3000K	760	--	720
				4000K	800	--	720
				6500K	800	--	720
	6	Luminous efficacy	LM/W	2700K	84	--	80
				3000K	84	--	80
				4000K	88	--	80
				6500K	88	--	80
	7	LED Type and Quantity	pcs		2835 16PCS	--	--
	8	Luminous intensity (cd)	cd		118	--	--
	9	Light angle	°		200	220	160
	10	3000 hours Lumen Maintenance	%		90	--	90
	11	Colour temperature	K		Optional	6500	2700
	12	Colour rendering index (Ra)	Ra		80	--	80
	13	Equivalence claim (W)	W		60	--	--
	14	Energy efficiency class	--		A+	--	--
	15	Effective luminous flux	lm		--	--	--
Other	16	Rated life (L70)	hrs		10000	--	10000
	17	Diameter D	mm		60	61	59
		Height H	mm		108	110	106
	18	Base	--		E27/B22	--	--
	19	Weight	g		33	34	--
	20	Dielectric strength	V		4000	--	4000
	21	Electric shock proof grade	--		--		
	22	Dimmable	--		N		
	23	Complies with CE requirements [Y/N]	--		Y		
	24	Work environment	--		-20℃ ~ +40℃, 10% ~ 80% R.H.		
	25	Storage environment	--		-20℃ ~ +50℃, 0% ~ 80% R.H.		
	26	Protection grade	--		IP20		

Remarks	Note: The specification is subject to the latest update. The version and date are shown at the

Light distribution diagram

Precautions for Use

1. To ensure proper operation, make sure the operating voltage is within the indicated voltage range.
2. Install and use this product in the correct way.
3. Disconnect the power supply before installing or removing the product to avoid the risk of electric
4. For best performance, do not use this product in high-humidity or dusty environments, including but
5. Do not stare directly at the LED light source for a long time; high-intensity light sources may cause
6. If any of the following problems occur, ask a qualified electrician for repair; do not disassemble the product by yourself:

1) The product emits a strange odor, abnormal sound, or unusual flickering.
2) The housing is broken or foreign objects have entered the product.

Note:

a. The above parameters are for reference only. The actual product shall prevail. In case of any

The above parameters can be modified without prior notification . If there is any change, according to the real object please.

b. Our company reserves the right to modify the contents of this document without prior notice to

We reserve the right to amend the data without any prior notification. Sorry for the inconvenience
